

Sales From Anywhere

Earn \$1000 a year selling only 10 bags a week!

Sell More, Earn More!

2018 System Guide & Information

Sales From Anywhere

Earn \$1000 a year selling only 10 bags a week!

10
years roasting
coffee

Who is Coffee Jar?

Coffee Jar is a coffee roasting company located in West Bend, Wisconsin that offers high quality specialty coffee and has been roasting coffee for over 10 years.

Approximately
60%
adults drink
coffee daily

What is the Sales From Anywhere Program?

Sales From Anywhere is a program that taps into the contacts everyone already has. With a small effort, you can supply your contacts with better coffee for the lowest price on a continuing basis.

Contact people
wherever
you are

Average person
has 150 contacts;
90 coffee drinkers

Where does the Sales From Anywhere Program operate from?

Sales From Anywhere is operated by and from you via face-to-face contact, social media and group/club events. Contact friends, family, relatives and others based on what you know about their coffee needs.

Start and sell
on your own time

When does the Sales From Anywhere Program begin?

You may apply at any time. If accepted, the program begins immediately; start and sell on your own time!

Sales From Anywhere

Earn \$1000 a year selling only 10 bags a week!

How do I participate?

Easy to start and requires no monetary outlay

Sales are achieved by asking friends and relatives if they drink coffee.

Sell at local events, homes and businesses

Identify customers, checking out local sporting events, markets, churches, charities, and area businesses.

Sell on your own CoffeeByTheJar.com website

Coffee Jar will create your own business card and order page at CoffeeByTheJar.com/YourName. Includes your image, contact info, products, pricing and ordering info.

Pick up coffee and deliver to customers

Pick up your orders at Coffee Jar in the South Industrial Park at 1935 Stonebridge Rd. Deliver to your customers or give it to them when you see them next.

Why should I do this?

To earn money for college or other activities like sports and travel. It is the most earnings for the smallest amount of work. At 10 bags a week and \$2 per bag, annual earnings is \$1040. If the initial sale, plus delivery, took 2 hours per week (a fair, and maybe generous amount), you have 104 hours annually or \$10 per hour for very light work.
